A close-up, 3D-rendered image of two interlocking metallic gears. The gear on the left is inscribed with the word "business" and the gear on the right with "consulting". Both words are written in a bold, sans-serif font, following the curve of the gear teeth. The scene is dramatically lit from the bottom right, creating a bright blue and white glow at the point of contact between the two gears. The entire image is framed by a white border, giving it the appearance of a photograph.
